

NOAH JENSEN

Objective

Seeking an intermediate position that will take my graphic design and front-end development career to the next level.

Education

University of Minnesota Twin Cities
BFA in Graphic Design, Fall 2011 - Spring 2015

- Studied graphic design abroad in the United Kingdom.
- Graduated with a cumulative GPA of 3.03.

Experience

Graphic Designer and Front-End Developer, Aptegy;
Little Rock, AR, July 2016 - Present

- Design native and custom mobile apps for K-12 school districts.
- Design and develop beautiful, modern websites for K-12 school districts.
- Develop primarily with HTML, SASS, CSS, JS, and J-Query. Design primarily with Adobe Photoshop.
- Work directly with school administration to cater to their designed website and mobile app needs.
- Work in a small, fast-paced startup environment.

Contracted Graphic Designer, Excel Signs & Design;
St. Louis, MO, April 2016 - May 2016

- Assisted in the design and production of signs, vinyl materials, vehicle graphic, and LED boards.
- Communicated and worked with another senior designer on several projects.
- Assisted and communicated with clients to make sure their design and installation needs were met.

Graphic Design Internship, Minnesota Youth Rugby Organization;
Minneapolis, MN, September 2014 - January 2015

- Worked alongside other professional graphic designers.
- Worked primarily on redesigning their website and creating advertising documents.
- Assisted in the marketing and design of the organization's annual fundraiser.

Graphics & Course Production Support,
University of Minnesota College of Continuing Education;
St. Paul, MN, February 2013 - January 2014

- Assisted in the production, publication, and marketing of online courses via the e-learning platform Moodle.
- Developed thematic program identities which required consulting with faculty and researching images.
- Worked on an individual and team basis in the process of establishing courses with graphic identities.
- Assisted professors and educators on establishing online courses.
